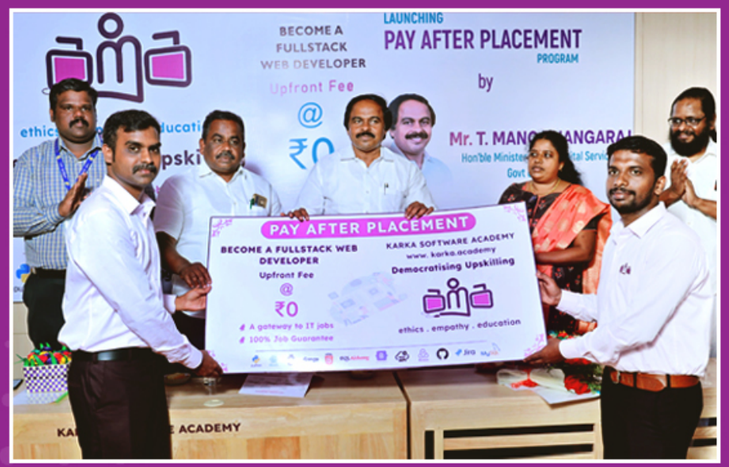
PAY AFTER PLACEMENT PROGRAM

Karka's Pay after Placement(PAP) is a middle class friendly model for job-seeking graduates those have “not so good” socio-economic background.

Pay your bootcamp fee only after you get a job and start earning. You do not need to pay any upfront fee initially.



Launching of pay after placement program by Mr.T.MANO THANGARAJ, Hon'ble Minister of IT & Digital service, Govt. of Tamilnadu

PAP is a payment arrangement implemented through an Income Sharing Agreement(ISA) which is a legal contract between you and Karka Academy. This makes a result based skill development.

7 REASONS TO LEARN WITH KARKA

01 No Upfront fee

02 1 Month Complete Free Course

03 3 Months Full-Time Bootcamp

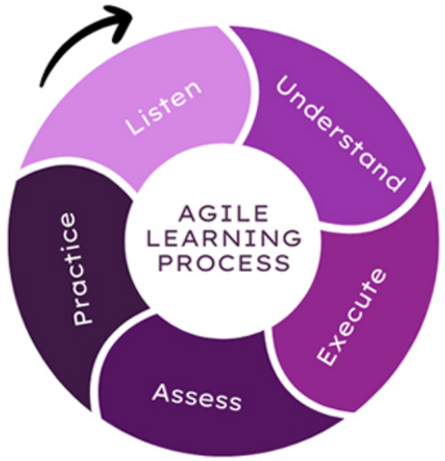
04 Learn From Industry Experts

05 100% Job Guarantee

06 Pay Only When You Start Earning

07 Practical Agile Learning Process

At Karka, We continuously innovate the learning process and hence we come up with our unique and efficient agile learning process which is made up of the following 5 stages :



If you're interested in IT job, take up below practice oriented **Web Application** Development learning programs

KARKA'S PAP
Consists of two levels

LEVEL 1

100% FREE

- 1 Month
- Completely FREE
- Python, HTML, CSS, Web App

The Kickstarter is your gateway to land **IT carrier**

LEVEL 2

₹0 Upfront Fee

- 2 Months + 1 Month project
- Rs 0 Upfront Fee Pay after Placement
- Specialisation in Frontend & Backend frameworks like React, Python Flask

100% guarantee job placement. You start paying fee once you start getting salary.
